To activate a DOCUMENTS license over the internet, do the following:

1. Click Start, All Programs, Readsoft, and then ReadSoft DOCUMENTS License Utility.
2. In the Activate license over the Internet tab, type the license key in the product key field.

Note: If a hardware license is being activated, ensure that the hardware key is connected before continuing.

3. Click Activate license. A confirmation window will appear once the activation is complete.
4. Verify the license activation status turns green once the activation completes.
